ORIENTATION IN THE U.S. LEGAL SYSTEM AND BUSINESS LAW

The International Law Institute (ILI) is a leading provider of training and technical assistance in international law, international economics, and international relations. The ILI is an independent, non-political, non-profit educational institute serving a global constituency. The ILI and its affiliates have trained over 30,000 officials from over 186 countries in the US and abroad.

In 1979 the ILI’s Chairman led the first delegation of lawyers from the American Bar Association to China. Since then the ILI has trained hundreds of Chinese lawyers, judges, and government officials at both the central and provincial levels.

Entering its 46th consecutive year, the ILI’s Legal English, Legal Writing, and Research and Orientation in the U.S. Legal System and Business Law series was the first and is the longest running program of its kind.
